BLAIR GIVES BOND.

Surety for Appearance Is Placed at \$10,000.

St. Louis, Dec. 4.—Following the return of the two indictments, each charging him with forgery in the first degree, Attorney James L. Blair was conveyed in a carriage to the Federal Court about 6 o'clock last evening, where he gave two bonds, amounting to \$10,000, to guarantee his appearance for trial.

Judge Daniel G. Taylor took the bonds in chambers. Mr. Blair's bondsman is his former law partner, Judge James A. Seddon, and Attorney John P. Lee. Each qualified for more than the required amount. Judge Taylor fixed the amount of the bond at \$5,000 in each case.

Blair was conveyed in a carriage from the Mulanphy hospital, where he has spent the last month under Dr. Hotham's treatment. Henry T. Kent, who for some time has been connected with the law firm of Seddon & Blair, and John F. Lee, accompanied him.

DANGEROUS SURGERY.

Death Follows the Surgeon's Knife—Not the Surgeon's Fault, of Course—He Can't Help It—You Can.

Pyramid Pile Cure Cures Piles Quickly, Painlessly, Without Danger.

People go along for years suffering with piles. They try this and that and the other thing from carrying a buckeye to getting treatment from a physician. They obtain temporary relief, maybe, but they are never quite cured. A little strain in lifting, excessive fatigue, a little constipation or a little diarrhoea and the piles come back. They don't seem to amount to much, but they banish sleep and appetite. No position is comfortable. There is intense local pain and that dreadful feeling of weight in the perineum. Maybe in the early stages some of the many soles on sale will afford temporary relief. If the case is of long standing there is only one speedy and sure remedy. It is Pyramid Pile Cure. Even in light cases it is the safest thing to use. Other applications may cure and may not. Pyramid Cure is always certain, always reliable, always brings comfort at once. Its prompt use saves months of severe suffering. In extreme cases it will save surgical operations, and their attendant dangers and discomforts. It is better than a knife. It cures easier, quicker and safer. Thousands have used it. Thousands have been cured by it. The cost is trifling compared with what it does. The price is 50 cents. Most anybody would gladly pay ten dollars to be rid of piles. All druggists sell Pyramid Pile Cure. Write Pyramid Drug Co., Marshall, Mich., for their book on Causes and Cure of Piles, which is sent free for the asking.

Judge Thomas B. Harvey, attorney for Blair in the criminal proceedings, and Judge James A. Seddon met the party in Judge Taylor's private office. Assistant Circuit Attorney C. Orrick Bishop represented the state in the matter of taking the bond.

CORBETT IS MODEST.

Monologue Champion Only Wants \$50,000 Purse to Fight Fitz. New York, Dec. 4.—James J. Corbett has announced that he would never enter the ring with Bob Fitzsimmons again unless a purse of at least \$50,000 is hung up. Corbett says he will make \$30,000 before the end of next summer and he sees no object in going into the ring for the mere honor of the thing. "I will not fight anybody for a year," said Corbett, "for I have contracts at \$50 a week until next May. Then I can make \$1,000 a week all summer. But if a year hence Fitz wants to fight, and the California promoters still believe as I do, that I can draw a \$50,000 house, and will guarantee me an amount of money greater than I can make on the stage, why, I will fight Fitz and be glad to do it."

"It is a business proposition with me. Fitz is a wonderful fighter, but I can lick him. However, I don't intend to give up the thousands of dollars that I am making now in order to take a chance, get some hard knocks and do a lot of work for less money. I am pretty well satisfied the way I am."

ROOSEVELT TO GET \$30,000.

One of the Beneficiaries Under the Will of His Uncle. New York, Dec. 4.—President Roosevelt is to receive \$30,000 and his children, Kermit and Ethel, \$5,000 each from the estate of the late James King Grace, an uncle on the Gettysburg battlefield next Memorial day, May 30, 1904.

WARE WILL SPEAK.

He and the President to Deliver Addresses at Gettysburg.

Washington, Dec. 4.—A committee representing President Roosevelt of the department of Pennsylvania has invited the president to deliver the principal address on the Gettysburg battlefield next Memorial day, May 30, 1904.

Will Cut No More Poles.

Pittsburg, Pa., Dec. 4.—By an agreement on both sides the dispute between the Pennsylvania railroad and the Western Union telegraph company will be taken to the United States circuit court on appeal. It was also agreed there should be no more pole chopping until the case was finally decided.

Ledyard Will Not Resign.

President Ledyard of the Michigan Central says: "I have no intention of resigning, and there is no truth in the story to the effect that General Man-a-r-L'Hommedieu will assume my duties January 1."

JAYHAWKERS GIVEN K'S.

Twelve Members of the Lawrence Team Presented With Sweaters.

Lawrence, Kan., Dec. 4.—The "K's" have been awarded to the Kansas university football players of the season just closed. Twelve were awarded and most of the men out of this 12 already had a K. The committee of award of the coveted letter have cut the number of awards down this year and will make them fewer in time to come. It is their purpose to only give them to real merit and to those who have worked the hardest. Heretofore at times the letters were awarded a little carelessly. The men who now get K's for this year's work are: Captain Brumage, Hicks, Pooler, Michaelson, Ackerman, Brunner, Allen, Donald, Fleishman, Chappell, Rice and Cooke.

Every man that got a letter has played in at least one state game. Rice, Chappell, Fleishman, Brunner and Donald were not already possessors of the Kansas letter, and Michaelson had one awarded for track work. Of this number the six who had not a K were new men and this is their first year on anything more than a high school eleven.

He Took Carbolic Acid.

Kingman, Kas., Dec. 4.—Lewis Leach, a salesman in the Jettmer company's establishment, committed suicide here by taking carbolic acid. He left letters to his young wife and others, bidding them good-bye, but gave no cause for his action. He was 35 years old, and was the first male child born in Kingman.

All-American Eleven.

Chadwick, a great football player in his day and a recognized authority of this sport, picks the following for the All-American team of 1904: Left end—Hafferty, Yale. Left guard—Hoppe, Columbia. Left guard—A. Marshall, Harvard. Center—Hooper, Dartmouth. Right guard—DeWitt, Princeton. Right tackle—Hogan, Yale. Right end—Henry, Princeton. Quarter—Rockwell, Yale. Left half—Mitchell, Yale. Right half—Mitchell, Yale. Fullback—Schoelkopf, Harvard.

Minnesota Captaincy.

Minneapolis, Minn., Dec. 4.—"Jimmy" Trefeld, halfback on the Minnesota football team, will probably be elected captain for the season of 1904 when the eighteen men of the squad awarded "M's" this year meet at the big football banquet arranged for December 12.

Emporia Teams Lose Money.

Emporia, Kas., Dec. 4.—The managers of both the College and Normal football teams came out "short" at the banquet of the season. The Normal gave an entertainment to help out, but there is still a deficit.
